AND
BENEFIT.

10 BAGS FOR YOUR PROJECTS!

Send us at least 3 pictures of your sports or leisure project and receive 10 bags of EPDM granules for free with your next order!

With our coloured EPDM rubber granules, we are part of creative sports and leisure surfaces in over 90 countries around the world. Clients, architects, planners and installation companies use them to create thousands of impressive projects every year. A large number of trucks full of high-quality granules leave our warehouse every day. **But what great projects are created from them?**

Whether it's an athletic track, a children's play oasis or the basketball court next door – we want to see and show the variety and creativity of your projects! Share your impressive applications by sending us photos of your projects. As a thank you for your commitment, we will reward each submitted project with a free delivery of 10 bags EPDM granules, i.e. 250 kg, with your next order.

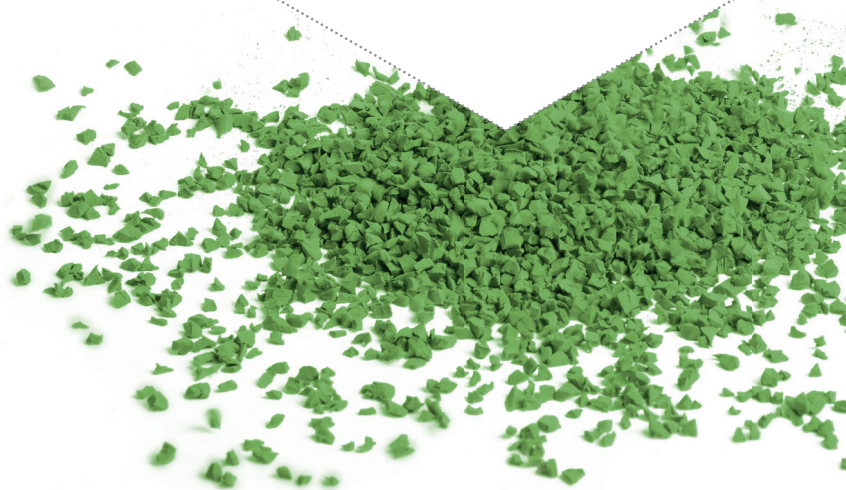

The following conditions should be fulfilled:

- **Resolution:** at least Full HD (1920 x 1080 pixels)
- **Number of photos:** at least 3 pictures from different perspectives
- **Conditions:** clean surface with Melos EPDM granules and no people, construction equipment or disturbing objects in the picture
- **Limit:** a maximum of 3 different projects per year will each be rewarded with a credit of 10 bags of EPDM granules with the next order (one of the 28 standard colours of your choice)
- **Image permissions:** you grant us full rights of use by uploading and providing

It's that easy:

1. **Take at least three photos with Melos EPDM granules of your project from different perspectives.**
2. **Upload the photos using the upload form at www.melos.com/10bags**
3. **With your next order you will get a free delivery of 10 bags EPDM granules.**

We look forward to exciting projects!
